Save time, energy, and trees! Use My Music Travel.

## MTC TOUR DIRECTORS

Most companies will send you out on the road alone or, at best, provide you with a guide who might meet you at your destination. Instead of troubling you to manage the logistics, Music Travel Consultants will provide two personable, experienced Tour Directors, empowered to fix problems on the spot. These professional Tour Directors will manage the many facets of a successful trip, including confirmations, deadlines, routing, and other logistical pieces and will join you at your point of departure and be by your side until the group is safely home. Leave the travel to us and enjoy being a teacher!
